

Dear Sir/Mam,

Greetings from the All India Council of Technical Education, Ministry of Education (Gol).

As you are aware the Launch ceremony of digital skilling initiatives (<https://1crore.aicte-india.org/>) in emerging and future technologies for skilling, reskilling, upskilling, internship, apprenticeship, and employment to one crore students was held on 6th June 2022. Hon'ble Minister of Education, **Sh. Dharmendra Pradhan** and Hon'ble Minister of State, Ministry of Skill Development & Entrepreneurship **Sh. Rajeev Chandrasekhar** launched the event.

Under the "Make in India " initiative, and performance incentive link schemes India has received 385 billion USD investment in the last 8 years which means India is going to be a global manufacturing hub. Empowering 4 crore higher education students and recent graduates to access industry-aligned courses for skilling and upskilling is key for Aatmanirbhar Bharat. Continuous upskilling is the driving force for making India the global digital talent hub.

With a vision to make our country "India as Technology Capital of the World" we would like to initiate a campaign "Technology for every Indian student" which aims to **Evaluate -> Train -> Practice -> Internship -> Perform -> Certify -> Employ**

It is envisioned to register more than 1 crore students/faculty and get them trained in the emerging areas for 3 to 6 months. The student/faculty can avail this benefit by registering on the portal: <https://1crore.aicte-india.org/>

We hereby share the user manual in the form of a YouTube video. Students/Faculty can watch the below-given video and register themselves:

For current Students:

<https://www.youtube.com/watch?v=7VABSLhdxa4&t=5s>

For passout Students/recent graduates/Faculty:

<https://www.youtube.com/watch?v=tnMR4O4zuRU>

We request you to circulate this information among the student/faculty of your institute and ask them to register for digital skilling in various emerging technologies.

For any other clarifications, feel free to contact us.

regards,

Buddha Chandrasekhar
