

Notice:

All students admitted in BTKIT for session 2020-21 to B.Tech - 1st Year courses are hereby informed that they register for attending the online Induction Program from 16-20 November, 2020 slot conducted by AICTE to given link:

(<https://forms.gle/Ngh6c7TnaRdxDZpk8>).

Sub: On-line Student Induction Program – eSIP 2020 for newly admitted Students of 2020-21 batch.

To enable colleges to conduct the mandatory Student Induction Program (SIP), AICTE is organizing eSIP 2020, a Model or sample online SIP.

Schedule (Mode: Online)

8-13 November	Student Induction Program (eSIP) part I	Language: Hindi
16-20 November	Student Induction Program (eSIP) part II	Language: Hindi
8-13 November	Student Induction Program (eSIP) part I	Language: English
16-20 November	Student Induction Program (eSIP) part II	Language: English

Who can Attend:

Faculty teaching in SIP are expected to acquire an AICTE certificate of participation in the related ongoing FDPs. This program would be useful, particularly for **faculty coordinators in-charge of conducting SIP in your college.**

For this year only, you may allow your students along with their family (particularly parents) to participate in this program in partial completion of locally, college organised SIP.

Registration:

Registration is required in advance for this workshop. To register, please follow the link: <https://forms.gle/Ngh6c7TnaRdxDZpk8>

Joining link will be provided.

Certification:

If the students, joining this online Student Induction Program, complete the entire schedule with prerequisites like attendance and assignment then he/she may be considered by the college to have attended the Student Induction Program for this academic year. Please note that AICTE will not provide certificates to students. AICTE will, however, provide supporting assignment information to interested colleges through the respective University Coordinators.

Thanks & Regards

UHV Team

About the Mandatory Student Induction Program (SIP)

In its 49th meeting, held on 14th March 2017, AICTE approved a package of measures for further improving the quality of technical education in the country. This 3-week mandatory Student Induction Program (SIP) based on Universal Human Values (UHV) is one of these key measures.

The SIP is intended to prepare newly admitted undergraduate students for the new stage in their life by facilitating a smooth transition from their home and school environment into the college and university environment.

The purpose is to help develop a holistic perspective about life. A self-reflective methodology of teaching is adopted. It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as an unit in nature. Through this process of self-exploration, students are able to discover the values intrinsic in them.

The SIP amalgamates an integrated whole, which leads to its high effectiveness in terms of building a healthy lifestyle, creativity, bonding and character. It develops sensitivity towards self and one's relationships, builds awareness about others and society beyond the individual, and also in bonding with their own batch-mates and senior students as well as faculty members.

With above background, the SIP has been formulated with specific goals to help students to:

- Get an exposure to a holistic vision of life, develop awareness, sensitivity and understanding of the Self---family---Society---Nation---International---Entire Nature
- Become familiar with the ethos and culture of the institution (based on institutional culture and practices)
- Set a healthy daily routine, create bonding in batch as well as between faculty members and students
- Facilitate them in creating new bonds with peers and seniors who accompany them through their college life and beyond
- Overcome weaknesses in some essential professional skills – only for those who need it (e.g. Mathematics, Language proficiency modules)

The SIP has 9 modules:

SIP Module 1: Universal Human Values I (UHV I)	22 hours
SIP Module 2: Physical Health and Related Activities	51 hours
SIP Module 3: Familiarization of Department/ Branch and Innovation	06 hours
SIP Module 4: Visit to a Local Area	10 hours
SIP Module 5: Lectures by Eminent People	06 hours
SIP Module 6: Proficiency Modules	06 hours
SIP Module 7: Literature / Literary Activities	30 hours
SIP Module 8: Creative Practices	49 hours
SIP Module 9: Other Co-curricular Activities	06 hours
