Overview

The organization committee, would like to welcome you to the online Training Program on “Electrical Aspects of Technology Advancement in Smart Buildings, Power Grid and Vehicles”, organized by Electrical Engineering Department, B.T.K.I.T. Dwarahat.

About the Institute

In the city of Almora, Bipin Tripathi Kumaon Institute of Technology, formerly Kumaon Engineering College (KEC), is an autonomous engineering and technology institute in the Almora district in state of Uttarakhand, India.

It is financed by the government of Uttarakhand and managed by the Board of Governors with the Minister of Technical Education Government of Uttarakhand as the Chairman and Secretary of Technical Education as Vice-Chairman. Originally affiliated to Uttarakhand Technical University, it is now a completely autonomous institute.

Objective of the Program

- To create interest about the subject among the students.
- To address key research areas in the Electrical Engineering.
- To collaborate and interact with the Industry and institutes of national reputation.

The invited speakers are :

- Dr. S. S. Nag, Assistant Professor, IIT Delhi;

- Dr. Anup Shukla, Assistant Professor, IIT Jammu;
- Dr. Olive Ray, Assistant Professor, IIT Bhubaneswar;
- Dr. Nitin Gupta, Assistant Professor, MNIT Jaipur;
- Mr. Sudhakar Goggela, Senior Engineer, Dar-Al-Handasah, Pvt. Ltd., Pune- India;
- Mr. Krishna Kumar, R & D Engineer, UJVNL Ltd. Dehradun.

Schedule

Wednesday, 23rd Sept.

02:00 pm –05:00 pm **Dr. S. S. Nag**, Asst. Prof., IIT Delhi
Electric Vehicles

Thursday, 24th Sept.

02:00 pm –05:00 pm **Dr. Anup Shukla**, Assistant Professor, IIT Jammu
Smart Grid and Renewable Energy Integration

Friday, 25rd Sept.

02:00 pm –05:00 pm **Dr. Nitin Gupta**, Assistant Professor, MNIT Jaipur, Rajasthan
Problems and solutions for Electrical Systems

Saturday, 26th Sept.

02:00 pm –05:00 pm **Mr. Sudhakar Goggela**, Senior Engineer, Dar-Al-Handasah Pvt. Ltd., Pune
Electrical Design of Building and infrastructure Projects

Sunday, 27th Sept.

10:00 am –12:30 pm **Dr. Olive Ray**, Assistant Professor, IIT Bhubaneswar
DC-DC Power Converters

Sunday, 27th Sept.

02:00 pm –05:00 pm **Mr. Krishna Kumar**, R& D Engineer, UJVNL Ltd. Dehradun
Hydro Power Plant Engineering

Organizing Committee

Ms. Rachna Arya, Associate Professor, ECE,
Mr. Lalit Garia, Associate Professor, ECE,
Mr. Varun Kakar, Assistant Professor, ECE
Ms. Parul Kansal, Assistant Professor, ECE
Ms. Vijaya Bhandari, Assistant Professor, ECE
Mr. Abhijeet Shah, Assistant Professor, EE
Mr. Mohit Kumar, Assistant Professor, EE
Mr. Lalit Mohan, Assistant Professor, EE
Mr. Sachin Tyagi, Assistant Professor, EE
Mr. Vivek Rastogi, Assistant Professor, EE
Mr. Prankit Gupta, Assistant Professor, EE
Ms. Chandani Bansal, Assistant Professor, EE
Mr. Ashish Thapliyal, Assistant Professor, ECE
Mr. Mayank Punetha, Assistant Professor, ECE

Cordinator

Mr. Amit Kumar, Assistant Professor, EE
